

CHURCH OF SAINT DEMETRIOS of JAMAICA

GREEK AFTERNOON SCHOOL

The Saint Demetrios Greek Afternoon School aims to teach children speaking and writing of the Greek language, culture, history, traditions and religion. The program offers classes from Pre-K to 8th grade, as well as preparation for the Greek Regents (7th & 8th grade) of the State of New York. By keeping class size small, our experienced and accredited teachers address each child's needs on an individual level.

Your child will learn: reading, writing, conversation, mythology, history, religion, songs, poems, traditions.

The Saint Demetrios Greek Afternoon School features newly renovated classrooms and offers **FREE TUITION** to members of our community. Classes start on September 12th 2018 and meet on Monday and Wednesday afternoons.
